CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## \$100,000 For 160 Acre Site New Cooperative Sugar Mill

Sugar Cane Growers Cooperative of Florida will locate their new sugar mill on the Airport Road east of Belle Glade, according to present plans. The new mill will be located on a quarter section of land to be purchased from Arlington Ranch, one mile east of the Belle Glade Airport.

Purchase price for the 160 acre tract is reported to be \$100,000.00. Present plans call for construction of the mill on the recently constructed county road known as Airport Road. The new road stubs back into the muck for a distance of seven miles, according to County Commissioner Paul Rardin under whose direction the road was built.

## Delinquent Taxes Being Advertised

Delinquent taxes in Palm Beach county are being advertised this week and there are many, many names of Glades folks who have failed to pay their taxes. In addition to the cost for advertising the lands for sale, there will be another big penalty when the owner starts to redeem them. It would be a good idea for delinquent owners to get a copy of the paper carrying the delinquent list. For your convenience you can write:

COMMERCIAL RECORD  
P. O. BOX 2888  
WEST PALM BEACH, FLA.

In going over a list the other day the real estate editor of The Everglades News noticed delinquent lands in the various subdivisions: Washington Park, Bailey, Mackey, Armstrong, Okeelanta Plantations, Poland Ridge, Lair, McLarty, Rice, Salvatore Addition to Pahokee and Victor L. Geiger subdivision.

## 2,941 Harvesters Off 10 Acre Plot

Joe Thompson, Pahokee corn and bean grower and city councilman, had what experts rated as a record field of beans last week as far as yield is concerned. He picked 2,941 hampers of Harvesters off a 10 acre tract on Newport land.

Howard Holman, sales representative of Hector Supply Company, was around when the yield was being reported to The Everglades News agricultural editor and naturally he wants the word to know that the seed was Cornell Harvesters sold by him for the Hector concern.

### SIDEWALKS ARE NEEDED

After July 1, developers will be required to provide sidewalks in all subdivisions, the county commission decided this week. The sidewalks, the board decided, are needed as a protection for school children who in many cases now, have to walk to school on or along heavily traveled highways.

## Robert Mackey Will Go To North Carolina

R. B. Mackey, sales manager for Unity Farms, Inc., will spend some time in Inglehart, N. C., this summer on a cucumber deal. Mr. Mackey will leave Pahokee as soon as the season ends in the Glades and travel northward for several weeks at Inglehart.

## Funeral Today For Charles M. Baker

Funeral services will be held this afternoon at 2 p. m. at the Methodist Church in Pahokee for Charles M. Baker, 70, who died Wednesday in the Everglades Memorial hospital following a long illness. Burial will be at Port Mayaca cemetery. Rev. Charles Crauswell, pastor of the Pahokee Nazarene church by which Baker was a member, will be in charge of the services.

Mr. Baker, a long time resident of Pahokee, leaves a widow, Mrs. Ellen Baker; two sons, Charles, Jr., of West Palm Beach and Marvin of Homestead; two daughters, Mrs. Laverne Wright of Lake Worth, Mrs. Sarah Jane Rogers of Indiantown. Four brothers and two sisters live in Plant City. There are nine grandchildren.

## Brooks Henderson Installed By Lions

The Pahokee Lions Club held their annual installation banquet and ladies night program in the Community Building in Canal Point Tuesday evening, with Billy Rae Mosley, retiring president, acting as master of ceremonies.

The vice president of the Downtown Lions Club of West Palm Beach, Arnold Price was installing officer, inducting Brooks Henderson, president; Kyle Scott, first vice president; Frank Tillis, second vice president; D. B. Mathis, third vice president; R. J. Schroder, secretary; Ted Wilson, treasurer; Chester Mullis, Lion Tamer; Glenn Brower, tailwister; Webb Pell and Milton Salvatore, directors.

Following the installation services, Mr. Price talked on "Lionism."

The Club recognized the wives as their guests and Mrs. J. H. Wilkinson won the door prize.

## To Install Officers Of 2 Garden Clubs

The Canal Point and Pahokee Garden Clubs will meet at the Community Hall May 16th, for a joint meeting. There will be a covered dish luncheon at which time Mrs. James Kerwin of West Palm Beach will be the installing officer for both clubs.

## Pahokee Council Studies Petition

At Monday's meeting of the Pahokee City Council a petition was offered containing 300 names asking the council to support construction of an improved state highway through the city. The petition was taken under advisement by members of the council who will study the list of names carefully and determine at a later meeting what action is to be taken.

Heading on the petition which carried the large list of names read as follows: "We, the citizens of Pahokee respectively petition the City of Pahokee, Palm Beach County Commission and the Florida State Road Department, in the name of progress and public safety, to build an adequate and safe thoroughfare for the proper use of traffic through the City of Pahokee."

The petition was recently circulated and folks were given an opportunity to sign it. A few days ago the Pahokee Lions Club adopted a resolution asking for construction of such a highway through Pahokee.

## Lions Accept New Slate Of Officers

The outgoing president, P. A. Sionaker, presided over the business session at the regular meeting of the Canal Point Lions Club Monday evening.

J. G. Weeks, program chairman, introduced the guest speaker, Mrs. William Thibault of Belle Glade, who presented the "Autobiography of Will Rogers" by oral descriptions and by reading his own bits of wisdom from his book.

A. R. Harrington, chairman of sight conservation, reported two children had been sent to Dr. Lane for eye examinations and prescription for glasses the past month.

D. L. Hooks reported \$85.00 had been collected on the Street Light Fund, and the Club voted to accept the slate of officers presented by the nominating committee.

## Attend Funeral Of Mrs. J. K. Royeton

Out of town relatives here for the funeral services of Mrs. J. K. Royeton were Mrs. W. B. Elam of Greenwood, Ga., Mr. and Mrs. W. L. Geiger and sons, Wilbur and Alfred of West Palm Beach; Mr. and Mrs. J. J. Geiger and daughter of Clewiston; Mr. and Mrs. E. R. (Rudolph) Geiger and family of Ft. Lauderdale, Mrs. Julia Mazzaferro and children of Miami, Mr. and Mrs. Charles Cutner and daughters of Ft. Pierce, Mrs. John Padgett of West Palm Beach, Mr. and Mrs. Sam La Porta of Tampa, Mrs. Peggy Gonzales of Miami, Mr. and Mrs. Cecil Newman and children of West Palm Beach, Mr. and Mrs. H. W. Murphy and children of Clewiston and Emory Sears of Ft. Pierce.

Mr. and Mrs. Lee Wroten of Pahokee had as their recent guest her grandmother, Mrs. J. B. Elliott of Ft. Lauderdale.

## Kansas Todd Has A Birthday And Party

Kansas Todd, longtime employee of the Canal Point post office, celebrated her birthday yesterday (May 11) and Post Master Edythe Smith provided a beautiful birthday cake which was shared by friends and neighbors who happened to be in the office at 3 p. m. Coincidental, and quite interesting, is the fact that yesterday on May 11 the Post Office Department in Washington released special Kansas Statehood stamps which were placed on sale locally on that date.

## PHS Band Enters Annual Band Meet

The Pahokee High School Band left yesterday morning to participate in the annual State Band Contest (Southern Division) at Miami, Thursday, Friday and Saturday. The group was accompanied to Miami by Bandmaster and Mrs. Robert O. Lampis; also by Mrs. T. L. Sellers and Mrs. Billy Sheffield, members of the Band Parents Association. Headquarters for the band while in Miami will be at the McAllister Hotel.

Concert and sight reading, contests for soloists and ensembles will be on the schedule.

The marching phase of the three-part contests for South Florida High School Bands will be held in the Orange Bowl Friday night. Climax of the evening performances will be the joining of 2,000 student musicians from 25 bands in one massive musical aggregation.

## Special Rate For Juno Beach Motel

An unusually low and special rate for Juno-By-the-Sea Motel at Juno Beach is being advertised this week by the owner, County Commissioner E. F. Van Kessel. A special rate for the weekend—from Friday through Sunday afternoon—is being made for couples for \$14.00. Children in the same room will be \$1 extra each a night.

The Motel is excellently located on the ocean at Juno Beach and Howard Johnson's Restaurant is next door. A private ocean beach, swimming pool and many other beach conveniences are available to those taking advantage of this offer. The phone number is in the ad.

## Belle Glade Hires New City Manager

Royce W. Owens, 1223 Ridgewood Drive, Highland Park, Ill., was named city manager of the City of Belle Glade at an informal meeting of City Commission this week.

Frank C. Anderson, director of finance, has been acting city manager since resignation and departure of former City Manager C. B. Talmadge. The latter resigned to become city administrator of College Park, Md., about two months ago.

## Drainage Taxes Up In East Shore Dist.

Drainage district taxes in the Lake Region are going up in some districts. Others will remain the same as they have been for years. State Representative Emmett S. Roberts passed the bills at the request of the drainage district officials. East Shore Drainage District is the one district affected in the Canal Point-Pahokee area.

Taxes are now \$3.00 per acre in the East Shore District and the new law calls for an increase up to \$5.00 per acre for one year and then advance to \$5.50 per acre where they will remain. In the Rita district on the south side of the Lake the tax will go from \$3.60 per acre up to \$5.00 per acre.

South Florida Conservancy District in and around Belle Glade and South Bay will have a substantial increase from \$5.25 per acre to \$7.25 per acre.

Commenting on the South Florida Conservancy district raise, Mr. Roberts said: "It's a trash program to replace old pumping equipment. The farmers who, of course, pay the most are for it. The bond issue for the old pumps has been paid off and the only alternative for getting new equipment was floating another bond issue. They prefer the increase."

He said the growers wanted to get the pumps in good shape before summer storms hit.

## Small Claims Court Scheduled June 8

The next session of the small claims court will be held at the Glades Office Building on Thursday, June 8, according to an announcement by Judge F. A. Currie of that court. The deadline for filing cases to be heard at the upcoming session is Friday, May 19. Cases may be filed with Mrs. Mae Pope at the Glades Office Building.

## Tickets All Sold To WSCS Bar-B-Q Tonite

If you don't have a ticket to the Canal Point WSCS barbecue at the community Hall tonight you'll be sorry. It is going to be some of the finest barbecue ever served anywhere, so say the good ladies who are in charge of the project. ALL tickets have been sold. Everyone! There won't be any sales at the door. Barbecue is being prepared for the number of tickets sold. That's it.

Ladies of the WSCS said they certainly are grateful to the public for his splendid manner in which their project was accepted. Money made from the evening's food sale will go to purchase furniture for the new parsonage being completed on Third Street in Canal Point. "We want to extend our sincere thanks to each and every one for assisting us," said one of the WSCS members.

Mrs. Bennie Allen and her daughter Martha Joe of Pahokee are now making their home in Meridian, Miss.

### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A general bill on beach erosion, House Bill 1921, has drawn the support of the county commission.

The state wide measure is a permissive act which would allow establishment of beach erosion districts and provides the mechanism to finance improvements through the sale of bonds.

The measure also carries referendum provisions which call for a vote before creation of any beach

erosion districts, and a second referendum before any bonds could be issued.

In a resolution adopted by the board, the commission called on Palm Beach County's legislative delegation to "endorse, support and to work for passage of the bill".

The bill is presently before the drainage and water conservation committee for consideration.

### Child Labor Laws Affect Students

BIRMINGHAM, ALA. — "Child Labor laws permit high school students a wide choice of jobs during the summer vacation", Sterling B. Williams, regional director of the Wage-and-Hour and Public Contracts Divisions, said here today. His office administers the Fair Labor Standards Act, including child-labor provisions, in five Southeastern states.

"Parents should consider Federal and State regulations as a safeguard to their child's safety and health", Williams pointed out. With the exception of a few jobs which have been declared "hazardous occupations", boys and girls who have passed their 16th birthday may apply for almost any vacation-time job.

Children in the 14-and-15 year old class may seek jobs in office, clerical or sales work. They may accept most jobs in vegetable and fruit-packing sheds, but their work must be performed between 7 a. m. and 7 p. m. and is limited to eight hours any day or 40 hours any week.

Williams emphasized that employers should determine what jobs in their plants can be filled by youngsters this summer. If they require further information about Federal Child-Labor laws, Williams invited employers to contact Clem J. Denicke, supervisor of the Wage-House field office at 1200 S. W. First Street, Miami Florida.

Where a job comes under both Federal and state laws, the standards set by both laws must be observed. If there is a difference in the laws, Williams said that the higher standards will prevail.

### SORORITY GIRLS OF YEAR

Chosen as "Sorority Girls of the Year" by the three Pahokee chapters of the Beta Sigma Phi Sorority were Mrs. Donna Plumer, Xi Alpha Mu; Mrs. Lois White, Xi Beta Tau; and Mrs. Frances Moore, Beta Omicron. The trio were honored at the annual Founders Day Banquet, sponsored jointly by the three chapters, at which time they were presented with corsages and gifts of silverware.

### Airport Business Keeps County Board Busy At Meeting

The County Commission this week found that many of its decisions concerned aviation and flying facilities—pointing up a demand for facilities at International Airport and other county airports which the board operates.

In one action, the board learned from Commissioner E. F. Van Kessel, that William P. Lear who proposed to use space at International Airport for the assembly of executive type jet planes, was not yet ready to start his operation. So the board voted to draw a lease with Aviation Sales, Inc., for space which both Lear and the sales corporation had been seeking.

Meantime, the board agreed it could find space for the Lear organization when it is ready to open operations.

In another action, the commission gave tentative approval to a request from American-Bahamian Airways, Inc., for warehouse and office space at International Airport. The airline classes itself as a freight and charter line serving the islands. It now operates off Lantana Airport. Final agreement of the lease is contingent on an investigation to determine if the island airline's operation could be classed as a base operation.

The board also agreed to lease the administration building at Lantana Airport to the Civil Air Patrol for \$1 a year.

Final action on naming a base operator for the Glades Airport at Pahokee was delayed until a future meeting but the board voted to take action to secure a road right of way to the port from Morgan West Road to State Road 715, a route when completed would provide a link between the airport and Belle Glade. Glades commissioner Paul Rardin said the right of way is on state owned land and could be secured without cost to the county.

### BACK TO GEORGIA

Mrs. W. B. Elam left Tuesday for her home in Glenwood, Ga. For the past two weeks she has been the house guest of her sister Mrs. Eva Lowery in Canal Point, also visiting her other sisters and brothers here.

**Here's what the new  $3\frac{3}{4}\%$  interest rate  
on U.S. Savings Bonds means to you:**

**$\$3 = \$4$  fourteen months faster than before**

***The Bonds you own are better  
than ever, too***

The new  $3\frac{3}{4}\%$  rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra  $\frac{1}{2}\%$  from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

***More advantages of U.S. Savings Bonds***

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

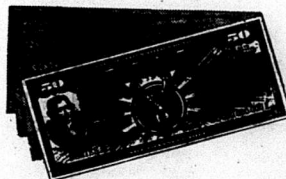

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

# Population Survey Will Ask Questions Not Asked Before

The May Current Population Survey, will include special questions on ownership of automobiles, home food freezers, automatic clothes dryers, and television sets in addition to the regular inquiries on employment and unemployment, it was announced today by Director Thomas W. McWhirter of the U. S. Census Bureau's regional field office at Atlanta, Georgia.

The number of television sets per household is being obtained at the request of the Advertising Research Foundation. The information on automobiles, freezers, and clothes dryers is being collected for the Household Economics Research Division of the U. S. Department of Agriculture for use in a study of life rates for selected durable goods. The questions will cover whether or not the cars and household appliances were new or used when purchased and year of purchase.

The Current Population Survey will be conducted here and in 332 other areas of the country during the week of May 15.

BARTOW — A souvenir edition of Polk County's Centennial will be off the press April 15. The book contains a history of the county dating back to its formation on Feb. 8, 1861.

Dozens of rare pictures are reproduced, taken from the M. D. Wilson collection, and a history on each Polk County municipality is related.

First copies offered will be from a first edition run. They may be ordered from the Centennial headquarters at Bartow.

# Sorority Groups In Separate Meets

The three Pahokee Chapters of the Sigma Phi Sorority held separate meetings on Thursday night, May 4th. Each club made plans to meet jointly with the Sorority's City Council at the Woman's Club May 18th, at which time Exemplar Degrees are to be conferred on Miss Barbara Myatt, Mrs. Genevieve Wilson, Mrs. Lillian Beverly, Mrs. Kay Sears, Mrs. Doris Lane, Mrs. Shirley Shirley and Mrs. Jean Salvatore.

The Xi Alpha Mu Sorority met at the home of Mrs. Joan Tucker. Mrs. Tucker, retiring president acted as the installing officer in the induction of Mrs. Elsie Sims, president; Mrs. Imogene Scott, vice president; Mrs. Ruth Tilley, recording secretary; Mrs. Cornelia Chase, corresponding secretary; Mrs. Dorothy Hillier, treasurer; Mrs. Gethie Friend, Mrs. Elsie Sims and Mrs. Joan Tucker, representatives to the City Council. Yellow sash corsages were presented to the new officers.

Mrs. Katherine Cunningham gave a review on current State Legislative activities affecting public schools and Mrs. Barbara Myatt gave a talk on "Islands of the Caribbean."

During the social hour, Mrs. Tucker was assisted by Mrs. Wilma Alley, co-hostess. Mrs. Nannie Mallory and Mrs. A. Hackney were guests.

Mrs. John Hutton installed Mrs. W. O. Moss as president of the Xi Beta Tau meeting at the home of Mrs. Richard Nason. Other officers installed were: Mrs. Charles Wilkinson, vice president; Mrs. Ralph Johnson, corresponding secretary; Mrs. David Unwin, recording secretary; Mrs. Carol Parker, treasurer; Mrs. Richard Nason, City Council representative and Mrs. Charles Wilkinson, alternate.

Mrs. Lois White, Mrs. Harold Wilkinson, Mrs. Ralph Johnson and Mrs. Ellis Wilkinson named on the program committee for the new year. Mrs. Richard Nason, Mrs. J. L. Tyson, Jr., and Mrs. W. K. Aldridge, on social committee. Mrs. Charles Wilkinson, Mrs. W. O. Moss and Mrs. David Unwin, named on the year book. Mrs. John Hutton, publicity; and Mrs. J. L. Tyson, Jr., hostess.

The group voted to donate a contribution to the Girl Scout work and to assist in setting up a vertical picture file at the Pahokee Elementary School. The chapter's final social event of this year will be a steak supper at the home of Mrs. Ellis Wilkinson June 3rd, with their husbands as guests.

The Beta Omicron Chapter met at the home of Mrs. Jimmy Moore, with the outgoing president, presiding as the installing officer, inducting, Mrs. Don Zaccagnino, president; Mrs. F. H. Potete, vice president; Mrs. John Zimmerman, recording secretary; Mrs. J. V. Thomas, Jr., corresponding secretary, and Mrs. Karl Mindlin, treasurer. Chairman named for the new year were: Mrs. Lester Hutton, program; Mrs. Julian Branch, social; and Mrs. John Zimmerman, ways and means.

Mrs. Potete, program chairman, introduced Mrs. J. L. Tyson, Jr., Girl Scout Troop leader, who presented a group of her girl scouts in a program of skits and songs, with the assistance of Mrs. T. E. Pennington. The chapter voted a donation to the Richard Hodges Memorial Fund for Girl Scout Work.

Mrs. Moore was presented with a gift of earrings and a miniature gavel to be attached to her Sorority pin, after which refreshments were served by the hostess.

## Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$10.00 a week. In 9 years you'll have Savings Bonds worth \$100.00 or more. In 19 years, \$166.67.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—so invest in Bonds regularly where you bank.

**For the big things in your life, be ready with U. S. Savings Bonds**

The U. S. Government does not guarantee the accuracy of the foregoing. The Treasury Department should be consulted for details regarding the foregoing Bonds and Plan.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{2}\%$  for the first year and a half; then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{4}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{4}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

Mrs. Pate presented Mr. Moss with a past president's pin. After which Mrs. Simonson pinned corsages and presented boutonnières to all the new officers and presented a gift to Mrs. Pate in appreciation of her installation services.

Mrs. Julian Branch, chairman of the hospitality committee assisted

by Mrs. Hugh Branch and Mrs. Karl Mindlin served refreshments during the social hour.

## Remedial Reading Plan Scheduled

School officials announce organization of the remedial reading centers. This is the second year the course has been offered as a part of the summer educational enrichment program.

In making the announcement, it is stated that no tuition will be charged, but there will be a small fee for supplies. Teachers in the program meet all requirements of education and are well qualified for this type of instruction.

In the Glades center will be at Pahokee Elementary School and those desiring information should call WY 6-2933 or WY 6-2783.

Enrollment will be limited to approximately 40 students per teacher and nearby schools will be given the opportunity to recommend eligible students to attend the classes which will be one hour in length, and which will meet daily beginning on Friday, June 16, and closing on Friday, July 28. Classes will not meet on Saturdays or on July 4. All registrations must be approved in advance and are due no later than May 15.

## Parrish Is Named To Hospital Board

Governor Farris Bryant Wednesday appointed F. S. (Dick) Parrish of Pahokee to succeed Ed Jensen on the Northwestern Palm Beach County Public Hospital Board. Mr. Parrish is a Pahokee jeweler and served as mayor of Pahokee. His appointment to the hospital board will be a popular move with the citizenry of Pahokee and Canal Point.

"...and they lived happily  
ever after!"

With this wonderful thought, how easily sleep will come. A sleep that's alive with carefree dreams of happy times forever. And who's to change these dreams into reality?

The opportunity is shared by many, including our business and industrial leaders. The services all of us render, the products we make, the jobs we create, and the support we give to civic activities are helping to build a world where all can live happier ever after.
